Records do disclose a Mark Lane born in Bronx, New York, on February 24, 1927, who in all probability is identical to the Mark Lane referred to in your airtel. Mark Lane is a New York Attorney and former New York State Assemblyman. He has been an active civil rights advocate and an anti-Vietnam war activist. He has associated with extremists and terrorists. The relationships between Lane and these individuals have not been determined. Lane has been vocal and has published documents critical of the CIA and FBI and the FBI's handling of certain significant investigations. Lane has been known to this Bureau since the early 1960s. The significance of his recent visit to Lebanon is not known, however. (S)

(U) For information of Rome, an identical request was received at FBIHQ from the [REDACTED] on December 14, 1980. An identical response was disseminated to [REDACTED] at Washington, D.C., on February 17, 1981. (S)
